

Christchurch Venue

BNI and the Captains Club Hotel Christchurch

BNI is all about quality and the quality of the venue is an important part of our business values.

This is why we have been extremely careful in selecting the Captains Club Hotel in Christchurch for our meetings.

Superbly located in the heart of Christchurch, on the banks of the River Stour at Christchurch Quay, our meeting room is the ideal location for networking. The choice of breakfast, and service levels by hotel staff, make this a business networking venue that is of the highest standard from start to finish.

Why not come down and join us for breakfast and find out for yourself why so many businesses are choosing to meet here each Thursday morning?
